THE CY4GATE GROUP PARTICIPATES IN THE MID&SMALL | LONDON 2024

Rome, 15 April 2024 - **CY4GATE (CY4.MI)**, a national and European player in cyber security and cyber intelligence, announces that it will be among the protagonists of the Mid&Small | London 2024, Wednesday 17 April at The Tower Hotel, St. Katharine's Way.

The event organized by Virgilio IR, scheduled from 16 to 18 April 2024, involves a selection of around 40 medium and small capitalization companies listed on the Italian Stock Exchange who will present their results and growth strategy to institutional investors in one-on-one meetings one on one and in small groups.

The CFO and Investor Relations Manager Marco Latini and the Finance Business Partner Alessia Pisoni will be present at the meetings to take stock of the 2023 results, the recent agreements and contracts acquired and the future projects of the Cy4Gate Group.

The presentation for investors will be made available, starting April 16 2024, in the "Investor Relations" section of the Company's website <https://www.cy4gate.com/it/>

About CY4Gate S.p.A.

CY4Gate S.p.A., a company founded in 2014 with the goal of addressing a demand for unconventional cybersecurity, has been listed on Euronext Growth Milan since June 2020. In 2023, the company took a major step forward by translisting and being admitted to the Euronext Milan Star segment. This is a significant recognition of the company's success and solidity, confirming its leading role in the cybersecurity sector.

CY4Gate S.p.A. was conceived to design, develop and manufacture technologies and products, systems and services, which are able to meet the most stringent and modern requirements of "Cyber Intelligence & Cyber Security" expressed by Law Enforcement Agencies, Armed Forces, Institutions and Companies, on the national territory and on the foreign market.

Representing a unique Italian industrial project, CY4Gate S.p.A. operates in the cyber market at 360°, with proprietary products that satisfy both information gathering and analysis and security needs: Quipo and Amico, in the world of Cyber Intelligence; RTA, in the world of Cyber Security.
