CY4GATE AND INNOVERY SIGN AN AGREEMENT FOR THE EXECUTION OF THE GO TO MARKET STRATEGY IN THE CY4GATE ITALY CORPORATE MARKET

INNOVERY BECOMES PARTNER FOR CY4GATE SOLUTIONS IN THE FIELD OF CYBER SECURITY AND DECISION INTELLIGENCE

Rome, 09 May 2024 – **CY4GATE (CY4.MI)**, national and European player in cyber security and cyber intelligence, and **INNOVERY**, a multinational company that offers specialized consultancy services for innovative solutions in the field of Information and Communications Technology, with a particular focus on Cybersecurity, announce that they have signed a strategic agreement which sees INNOVERY as a Partner for Cy4Gate solutions on the Italian corporate market both in the CyberSecurity and Decision Intelligence fields.

Cy4Gate thus reaches another fundamental milestone in the implementation of its Go To Market Strategy for the Corporate Italy market, which first through the activation of distribution with ATTIVA which already took place at the beginning of the year, and then with the strengthening thanks to this important partnership, aims to consolidate coverage on the target market by increasing visibility and presence.

The agreement, which does not provide market exclusivity, represents a solid approach to the execution of Cy4Gate's channel strategy which aims to consolidate its role as the Italian vendor of reference for the cyber security and decision intelligence market in line with the mission of the Company which aims to guarantee national technological sovereignty on the domestic and European market.

Gianvittorio Abate, CEO of Innovery commented: *"The partnership with Cy4Gate represents an important piece of our suite of products and solutions aimed at the Cybersecurity environment. Innovery has always aimed for excellence in the solutions proposed, as in this case, we have assessed that synergy, technology and common objectives can lead to significant results in an increasingly complex market"*.

Emanuele Galtieri, CEO and General manager di Cy4Gate Group said: *The agreement with INNOVERY, Italian excellence in its segment, adds a further important piece to our strategy aimed at consolidating and extending our presence on the national corporate market in the cyber security and decision intelligence segments. Our portfolio today consists of a diversified range of technologies that are able to satisfy a wide spectrum of needs across a very large audience of customers. This new partnership represents for us an important multiplier of efforts, integrating the activities expressed by our sales force, to ensure faster access to new market shares"*.
